

The Morgan Stanley Foundation

For more than 50 years, the Morgan Stanley Foundation has supported healthy starts and solid educations for the children in our communities.

Building on this commitment, this year the Foundation has extended its focus to take on the growing challenges around children's mental health. We believe that as a global company, we have a unique opportunity to drive tangible change and are excited to launch the Morgan Stanley Alliance for Children's Mental Health to do our part to set children in our communities up for success.

The Alliance will build and scale proven efforts, fund innovative ideas and strategically address the far-reaching negative impacts of stress, anxiety and depression in the first decades of life.

Morgan Stanley Foundation's efforts are fourfold:

PROVIDE

children with a healthy start to life

INVEST

in students to create access and opportunity in the financial services sector for members of diverse and underserved communities

ENCOURAGE

employee volunteer efforts

SUPPORT

the firm's response to natural disasters and other tragedies

Our work has been guided by the passions, talents and hard work of our employees and we strive to create transformative change in our communities and to inspire our employees toward a lifetime of committed engagement.

509,000 Volunteer Hours

Over 509,000 volunteer hours to philanthropic causes around the world in 2019, including 272,000 hours during Global Volunteer Month in June.

\$106 Million

Employees, together with the Company, the Morgan Stanley Foundation and the Morgan Stanley International Foundation, donated nearly \$106 million to charities for greater impact in our communities in 2019.

23 Playgrounds

Through our partnership with KaBOOM!, and with the incredible reach of our local branches, we have created 23 playgrounds and 20 creative play spaces in 43 cities across the country serving over 10,000 children.

211 Million Meals

Our 10-year commitment to Feeding America has helped local food banks in every state and city where we have a presence deliver nearly 211 million meals to children and their families in need, including over 4,600 Wealth Management employees who volunteered at 93 food banks across the country in 2019.

8,000+ Babies

We have nursed over 8,000 babies back to good health through our Grow Clinic partners in Boston, Chicago, Houston and Los Angeles.
